## Manual Multifunction Machine

- T108 is the manual multifunctional machine for operations such as: milling, routing, drilling, calibrating, inside/outside edge polishing, surface polishing, honing, bushhammering, antiquing.
- X/Y/Z= mm. 3550/1300/300 (139.7"/51.2"/11.8")
- Pneumatic pressure on the Z axis

## T 812 CNC Machine

- T812 CNC polishing and profiling center
- X/Y/Z available up to: mm 4000x1900x400 (157.5"x74.8"x15 ¾")
- 3 or 4 axes versions
- Pneumatic pressure on the Z axis
- Up to 46 tools available
- Spindle motor: 16 kW (21.5 Hp)

## T 818 CNC Machine

- T818 CNC polishing and profiling center with one or two working stations
- X/Y/Z available up to: mm 3550x2340x600 (139 ¾"x92.1"x23.6")
- 3 or 4 axes versions
- Pneumatic pressure on the Z axis
- Up to 135 tools available
- Spindle motor: 22 kW (29 Hp)
